

Gallery Walk Directions

Please split into groups of 2-3. Around you are photos of the Dust Bowl. You will have a couple of minutes with each photo.

Write your reactions (such as how you feel) and descriptive details.

Here are some questions to help you get started:

- Where are the parents located in these photos?
- Do these environments look livable? Why or why not?
- What are the children doing?
- What is the mood of each photo?

Be prepared to share your thoughts when we finish the gallery walk.
